

COVID-19 MEASURES SEASON 2021

Bike school Bellwald

(Status June 2021)

In the coming summer season, the Bellwald Bike School will do everything in its power to ensure the greatest possible degree of safety for our guests and staff. The top priority is always the health of all our valued guests and employees. In order to be able to protect our health, we must take the following measures or precautions. These are subject on the one hand to the official regulations and on the other hand to direct consultation with our most important partners on site, Bellwald Tourism, Sportbahnen Bellwald, the hotel / catering trade and the sports stores. Of course, we are also in constant exchange with the municipality and the cantonal health authority. The safety measures are constantly updated and adapted to the respective situation.

Distance

In general, biking is an outdoor sport and the risk of infection is much lower than indoors. We will try to keep the protective distance everywhere as best as possible and minimize all personal contact points.

Protective mask / neck hose / hand disinfection

In all indoor areas of the Bellwald Bike School, we ask our guests to wear a protective mask or neck hose. Likewise, we expect you, dear guests, to use the obligatory hand disinfection when entering and leaving our premises. This also applies to the sales point in the tourist office. Masks are also compulsory at the assembly point.

Online booking

Kids-Bike-League: Murmeli, Gämse and Steinbock can be booked online (Steinbock Pro only via e-mail) from 01 June. We ask you, dear guests, to make use of this possibility. You can book your desired services comfortably from home and save the way to our tourist office.

Digital info display

In the entrance area of the tourist office the guests will be informed about our services and the current Covid-19 measures by means of a digital info display.

Bike lessons: Murmeli, Gämse and Steinbock (11/2 hrs.) Steinbock Pro (2 hrs.)

Steinbock	09.20 a.m.
Steinbock Pro Trail	09.50 a.m.
Steinbock Pro Park	01.50 p.m.

Group size will be kept as small as possible. We will try to be as flexible as possible, especially during the busy vacation weeks, so that all our guests can take part in the bike courses. Nevertheless, we would like to strongly advise you to book online in advance.

Guests with symptoms of illness

It should be considered as a matter of course that guests with symptoms of illness cannot participate in the bike lessons. We ask for your understanding in this point, only in this way we can all protect each other.

Contact-Tracing

In order to prevent the spread of the virus as quickly as possible in the event of a positive Covid-19 test, it is essential to collect the correct data from all our guests (cell phone number, accommodation, email).

Segregation in case of symptoms

In case of symptoms in the participants of the classes, they will be immediately isolated from the rest of the group. Parents must ensure that they are available at all times to pick up their child as soon as possible.

Cancellations

Courses which cannot be held due to Corona, due to official measures, as well as for guests who cannot enter Switzerland from abroad due to travel restrictions, will be refunded after deduction of a 10% processing fee.

Employee safety

For our employees we give everything in terms of safety. In addition to correct instructions and rules of conduct, we ensure good accommodation and working conditions and carry out tests in the event of the slightest suspicion.

Personal responsibility

We appeal to the solidarity of all. Be considerate and protect yourself and others. In this extraordinary situation it goes without saying that every individual takes responsibility. We thank everyone for a good cooperation and wish our guests a carefree, relaxing and eventful vacation in Bellwald.
