General information

Based on Article 13 of the Swiss Federal Constitution and the data protection regulations of the Swiss Confederation (Data Protection Act, DSG), every person has the right to protection of their privacy as well as protection against misuse of their personal data. The operators of these pages take the protection of your personal data very seriously. We treat your personal data confidentially and in accordance with the legal data protection regulations as well as this privacy policy.

In cooperation with our hosting providers, we make every effort to protect the databases as well as possible against unauthorized access, loss, misuse or falsification.

We would like to point out that data transmission on the Internet (e.g. communication by e-mail) can have security gaps. A complete protection of data against access by third parties is not possible.

By using this website, you consent to the collection, processing and use of data in accordance with the following description. This website can generally be visited without registration. Data such as pages accessed or names of files accessed, date and time are stored on the server for statistical purposes without this data being directly related to your person. Personal data, in particular name, address or e-mail address are collected as far as possible on a voluntary basis. No data will be passed on to third parties without your consent.

Processing of personal data

Personal data is any information that relates to an identified or identifiable person. A data subject is a person about whom personal data is processed. Processing includes any handling of personal data, regardless of the means and procedures used, in particular the storage, disclosure, acquisition, deletion, storage, modification, destruction and use of personal data.

We process personal data in accordance with Swiss data protection law. Furthermore, to the extent and insofar as the EU GDPR is applicable, we process personal data in accordance with the following legal bases in connection with Art. 6 (1) GDPR:

- lit. a) Processing of personal data with the consent of the data subject.
- lit. b) Processing of personal data for the fulfillment of a contract with the data subject as well as for the implementation of corresponding pre-contractual measures.

- lit. c) Processing of personal data for the fulfillment of a legal obligation to which we are subject under any applicable law of the EU or under any applicable law of a country in which the GDPR applies in whole or in part.
- lit. d) Processing of personal data in order to protect the vital interests of the data subject or another natural person.
- lit. f) Processing of personal data to protect the legitimate interests of us or of third parties, unless the fundamental freedoms and rights and interests of the data subject are overridden. Legitimate interests include, in particular, our business interest in being able to provide our website, information security, the enforcement of our own legal claims and compliance with Swiss law.

We process personal data for the duration required for the respective purpose or purposes. In the case of longer-term retention obligations due to legal and other obligations to which we are subject, we restrict processing accordingly.

Privacy policy for cookies

This website uses cookies. These are small text files that make it possible to store specific information related to the user on the user's terminal device while the user is using the website. Cookies make it possible, in particular, to determine the frequency of use and number of users of the pages, to analyze behavior patterns of page use, but also to make our offer more customer-friendly. Cookies remain stored beyond the end of a browser session and can be retrieved when you visit the site again. If you do not wish this, you should set your Internet browser to refuse the acceptance of cookies.

A general objection to the use of cookies used for online marketing purposes can be declared for a large number of the services, especially in the case of tracking, via the U.S. site <http://www.aboutads.info/choices/> or the EU site <http://www.youronlinechoices.com/>. Furthermore, the storage of cookies can be achieved by disabling them in the browser settings. Please note that in this case not all functions of this online offer can be used.

If SSL or TLS encryption is activated, the data you transmit to us cannot be read by third parties.

Privacy policy for server log files

The provider of this website automatically collects and stores information in so-called server log files, which your browser automatically transmits to us. These are:

- browser type and browser version

You can revoke your consent to the storage of the data, the e-mail address and their use for sending the newsletter at any time, for example via the "unsubscribe link" in the newsletter.

Use of Google Maps

This website uses the services of Google Maps. This allows us to display interactive maps directly on the website and enables you to use the map function conveniently. By visiting the website, Google receives the information that you have called up the corresponding sub-page of our website. This occurs regardless of whether Google provides a user account through which you are logged in or whether there is no user account. If you are logged in to Google, your data will be directly assigned to your account. If you do not want the assignment with your profile at Google, you must log out before activating the button. Google stores your data as usage profiles and uses them for the purposes of advertising, market research and/or demand-oriented design of its website. Such an evaluation is carried out in particular (even for users who are not logged in) to provide needs-based advertising and to inform other users of the social network about your activities on our website. You have the right to object to the creation of these user profiles, whereby you must contact Google to exercise this right. For more information on the purpose and scope of data collection and its processing by Google, in addition to further information on your rights in this regard and settings options for protecting your privacy, please visit: www.google.de/intl/de/policies/privacy.

Use of Google reCAPTCHA

This website uses the reCAPTCHA service of Google Inc (1600 Amphitheatre Parkway, Mountain View, CA 94043, USA; "Google"). The query serves the purpose of distinguishing whether the input is made by a human or by automated, machine processing. The query includes the sending of the IP address and possibly other data required by Google for the reCAPTCHA service to Google. For this purpose, your input is transmitted to Google and further used there. However, your IP address will be shortened beforehand by Google within member states of the European Union or in other contracting states of the Agreement on the European Economic Area. Only in exceptional cases will the full IP address be transmitted to a Google server in the USA and shortened there. On behalf of the operator of this website, Google will use this information to evaluate your use of this service. The IP address transmitted by your browser as part of reCaptcha will not be merged with other data from Google. Your data may also be transmitted to the USA in the process. For data transfers to the USA, there is an adequacy decision of the European Commission, the "Privacy Shield". Google participates in the "Privacy Shield" and has submitted to the requirements. By pressing the query, you consent to the processing of your data. The processing is based on Art. 6 (1) lit. a DSGVO with your consent. You can revoke your consent at any time without affecting the lawfulness of the processing carried out on the basis of the consent until revocation.

Privacy policy for Google Analytics

This website uses Google Analytics, a web analytics service provided by Google Ireland Limited. If the data controller on this website is located outside the European Economic Area or Switzerland, Google Analytics data processing is carried out by Google LLC. Google LLC and Google Ireland Limited are hereinafter referred to as "Google".

The statistics obtained enable us to improve our offer and make it more interesting for you as a user. This website also uses Google Analytics for a cross-device analysis of visitor flows, which is carried out via a user ID. If you have a Google user account, you can deactivate the cross-device analysis of your usage in the settings there under "My data", "Personal data".

The legal basis for the use of Google Analytics is Art. 6 para. 1 p. 1 lit. f DS-GVO. The IP address transmitted by your browser as part of Google Analytics will not be merged with other data from Google. We would like to point out that on this website Google Analytics has been extended by the code "_anonymizeIp();" to ensure anonymized collection of IP addresses. This means that IP addresses are processed in abbreviated form, which means that they cannot be linked to a specific person. If the data collected about you is related to a person, this is immediately excluded and the personal data is deleted immediately.

Only in exceptional cases will the full IP address be transferred to a Google server in the USA and shortened there. On behalf of the operator of this website, Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity and providing other services relating to website activity and internet usage to the website operator. For the exceptional cases in which personal data is transferred to the USA, Google has submitted to the EU-US Privacy Shield, <https://www.privacyshield.gov/EU-US-Framework>.

Google Analytics uses cookies. The information generated by the cookie about your use of this website is usually transmitted to a Google server in the USA and stored there. You may refuse the use of cookies by selecting the appropriate settings on your browser, however please note that if you do this you may not be able to use the full functionality of this website. You can also prevent the collection of data generated by the cookie and related to your use of the website (including your IP address) to Google and the processing of this data by Google by downloading and installing the browser plugin available at the following link: [Disable Google Analytics](#).

In addition, you can also prevent the use of Google Analytics by clicking on this link: [Disable Google Analytics](#). This will save a so-called opt-out cookie on your data carrier, which prevents the processing of personal data by Google Analytics. Please note that if you delete all cookies on your terminal device, these opt-out cookies will also be deleted, i.e. you will have to set the opt-out cookies again if you wish to continue to prevent this form of data collection. The opt-out cookies are set per browser and computer/end device and must therefore be activated separately for each browser, computer or other end device.

Privacy policy for the use of Google Web Fonts

This website uses so-called web fonts provided by Google for the uniform display of fonts. When you call up a page, your browser loads the required web fonts into its browser cache in order to display texts and fonts correctly. If your browser does not support web fonts, a standard font is used by your computer.

You can find more information about Google Web Fonts at <https://developers.google.com/fonts/faq> and in Google's privacy policy: <https://www.google.com/policies/privacy/>.

Privacy policy for YouTube

On this website, functions of the service "YouTube" are integrated. "YouTube" is owned by Google Ireland Limited, a company incorporated and operated under the laws of Ireland with its registered office at Gordon House, Barrow Street, Dublin 4, Ireland, which operates the services in the European Economic Area and Switzerland.

Your legal agreement with "YouTube" consists of the terms and conditions found at the following link: <https://www.youtube.com/static?gl=de&template=terms&hl=de>. These Terms constitute a legally binding agreement between you and "YouTube" regarding your use of the Services. Google's Privacy Policy explains how "YouTube" treats and protects your personal information when you use the Service.

Note on data transfer to the USA

Among other things, tools from companies based in the USA are integrated on our website. If these tools are active, your personal data may be transferred to the US servers of the respective companies. We would like to point out that the USA is not a safe third country in the sense of EU data protection law. US companies are obliged to hand over personal data to security authorities without you as a data subject being able to take legal action against this. It can therefore not be ruled out that US authorities (e.g. intelligence services) process, evaluate and permanently store your data located on US servers for monitoring purposes. We have no influence on these processing activities.
