

## MEASURES SEASON 2021/2022

### COVID-19 Swiss Ski School Bellwald

(Status October 2021)

In the coming winter season, the Bellwald Ski School will do everything in its power to ensure the highest possible level of safety for our guests and staff. The top priority is always the health of all our valued guests and staff. In order to protect our health, we must take the following measures and precautions. These are subject to official regulations on the one hand and direct consultation with our most important local partners, Bellwald Tourism, Sportbahnen Bellwald, the hotel and catering industry and the sports shops on the other.

Of course, we are also in constant exchange with the municipality and the cantonal health authorities. The safety measures are constantly updated and adapted to the respective situation.

#### Distance

In general, skiing and snowboarding is an outdoor sport and the risk of infection is much lower than indoors.

We will try to maintain the best possible protective distance everywhere and minimise all personal contact points.

#### Protective mask / neck hose / hand disinfection

In all indoor areas of the Bellwald Ski School we ask our guests to wear a protective mask or neck hose. We also expect you, dear guests, to use the obligatory hand disinfection when entering and leaving our premises. This also applies to the Rabbit's Nest and Rabbit Land. All points of sale will be equipped with glass protection. Masks are also compulsory at all collection points.

#### Online booking

Ski and snowboard group lessons can be booked online. We ask you, dear guests, to make use of this possibility. You can book your desired services from the comfort of your own home and save yourself a trip to our ski school office.

#### Digital Info Display

In the entrance area of the ski school office, guests are informed about our services and the current Covid-19 measures by means of a digital info display.

### **Group size**

The group size will be kept as small as possible. We will try to be as flexible as possible, especially during the busy holiday weeks, so that all our guests can take part in the ski and snowboard courses. Nevertheless, we would once again strongly advise you to book online in advance.

### **Ski and Snowboard Races and Ski School Events**

The ski and snowboard races as well as all other events of the Bellwald Ski School are carried out according to the protection concept of the Bellwald Ski

### **Assembly points**

In order to avoid large crowds, we will continue to offer three assembly points in the new winter season 2021/22 (Gassen, Mittelstation and Hasennest).

### **Hasenland (morning for ski school only)**

In the entire Hasenland area, masks are compulsory for all guests aged 12 and over and snow sports instructors. Parents are not permitted in Hasenland (indoor/outdoor) during lesson time. The recreation room and all sanitary facilities are regularly disinfected.

### **Nursery Bella & Waldi**

The nursery Bella & Waldi from 2 ½ years: Please register with the ski school office by e-mail or telephone by the evening before at the latest, as only a limited number of children can be looked after. The nursery is regularly disinfected. Access for parents to the nursery is strictly limited.

### **Hasenland (afternoon for all guests)**

Masks are compulsory in the entire Hasenland area for all guests aged 12 and over and snow sports instructors. The recreation room and all sanitary facilities are regularly disinfected. Supervision and control by the Bellwald Ski School.

### **Snow hares (afternoons 14.00 -15.00)**

Due to the current situation, lessons for children under 4 years of age are limited this winter and only take place by appointment at the ski school office.

### **Hasennest (Tea Break)**

The capacity in our recreation room in the Hasennest is staggered due to the necessary distance regulation - every second table remains free.

Parents will not have access to the Rabbit's Nest.

The common room and all sanitary facilities are regularly disinfected.

### **Guests with symptoms of illness**

It should be taken as a matter of course that guests with symptoms of illness cannot take part in ski and snowboard lessons. We ask for your understanding on this point, this is the only way we can all protect each other.

### **Contact-Tracing**

In order to prevent the spread of the virus as quickly as possible in the event of a positive Covid-19 test, it is essential to record the correct details of all our guests (mobile phone number, accommodation, email).

### **Segregation in case of symptoms**

In case of symptoms, the students will be immediately isolated from the rest of the group. Parents must ensure that they are available at all times to collect their child as soon as possible.

## **CANCELLATIONS**

Courses which cannot be held due to Corona, due to official measures, as well as for guests who cannot enter Switzerland from abroad due to travel restrictions, will be refunded after deduction of a processing fee of 10%.

## **Employee safety**

We do everything we can to ensure the safety of our snow sports staff. In addition to correct instructions and rules of conduct, we ensure good accommodation and working conditions and carry out tests in the event of the slightest suspicion.

## **Personal responsibility**

We appeal to the solidarity of all. Please be considerate and protect yourself and others. In this extraordinary situation, it is self-evident that each individual takes responsibility.

We would like to thank everyone for their cooperation and wish our guests a carefree, relaxing and eventful holiday in Bellwald.
